EDUCATIONAL TECHNOLOGY GRADUATE CERTIFICATE

online.k-state.edu/programs/certificates/graduate-certificates/educational-technology.html

PROGRAM INFORMATION

Learn how to use technology in educational settings in a way that will enhance learning and not distract from it with the online educational technology graduate certificate.

This program will help you create, use and manage technology and technological processes in order to improve student learning and performance. The curriculum follows guidelines prescribed by the Association for Educational Communications and Technology.

Courses completed as part of this program can be used toward the online Master of Science in Curriculum and Instruction with an area of concentration in Educational Technology.

ADMISSION REQUIREMENTS

- Bachelor's degree with a 3.0 minimum GPA in the final two years or approximately the last 60 credit hours
- Completion of EDCI 718 - Introduction to Educational Technology or a similar graduate-level introductory educational technology course

CURRICULUM

12 credits

CAREERS

This program is designed for teachers interested in advancing their knowledge in the field of education or earning additional teaching endorsements.

APPLICATION DEADLINES

- Applications are accepted year-round. Applicants should plan to apply within two to three months from the start of the semester. The fall semester begins in late August, the spring semester begins in late January and the summer semester begins in late May.
